

HEALTH & SAFETY POLICY

Lafarge is committed to providing a safe and healthy work environment for its stakeholders and to conducting its various businesses in a safe manner. Health & Safety are core values that must be incorporated into all aspects of our business.

We integrate health and safety objectives into our management systems at all levels of the Group. Management is accountable for the prevention of injuries and occupational illnesses.

Everyone working for Lafarge expects a safe and healthy work environment, and in turn, we expect everyone to contribute to that safe environment through responsible behavior.

Everyone is also expected to demonstrate that Health & Safety are core values through visible commitment and active engagement of each other.

When it comes to safety, I believe the only acceptable number is zero - zero accidents, incidents or occupational illnesses. Reaching this goal is critical for us to reach excellence.
